

The Award for Safety in Bulk Handling sponsored by DNVGL

This award is split into two distinct categories; Marine and Cargo Handling

Shortlist (Marine)

Fleet Management, Hong Kong
Jensen Marine, United States of America
OMC International, Australia
Seagull, Norway
VIKING, Denmark

Winner – OMC International

Established in 1987, OMC International impressed our judges with their safe and accurate approach to under keel clearance management, based on live measured data.

DNV GL's Eric Endert presents the award to Dr Terry O'Brien, OMC International. IBJ Punisher, Ray Girvan is on the right.

Shortlist (Cargo Handling)

Essar Bulk Terminal, India
Mantsinen, Finland
Euroports, Finland
Siwertell, Sweden
T Parker Host, United States of America

Winner – Euroports

IBJ Awards judges chose Euroports Finland, which demonstrated willingness to work with the port authority, representatives of the labour unions, and employees to improve the safety all who enter the Port of Rauma.

Euroports Finland receive the trophy from DNV GL's Eric Endert
